The InHouse Experience allows you to visualize and get a better idea of what your new home will look like!

The screenshot shows the 'Commodore PA Kitchen' interface. On the left is a 3D rendering of a kitchen with dark blue cabinets, a white countertop, and a central island. On the right is a list of customizable options with dropdown menus:

- *Select colors & styles may be an upgrade from standard offerings.
- *Additional selections not shown may be available.
- *We reserve the right to make changes at any time in price, colors, material specifications and options and to discontinue options without notice or obligation. Please: sales center for complete information about standard and optional equipment in currently available models, and actual color representation.

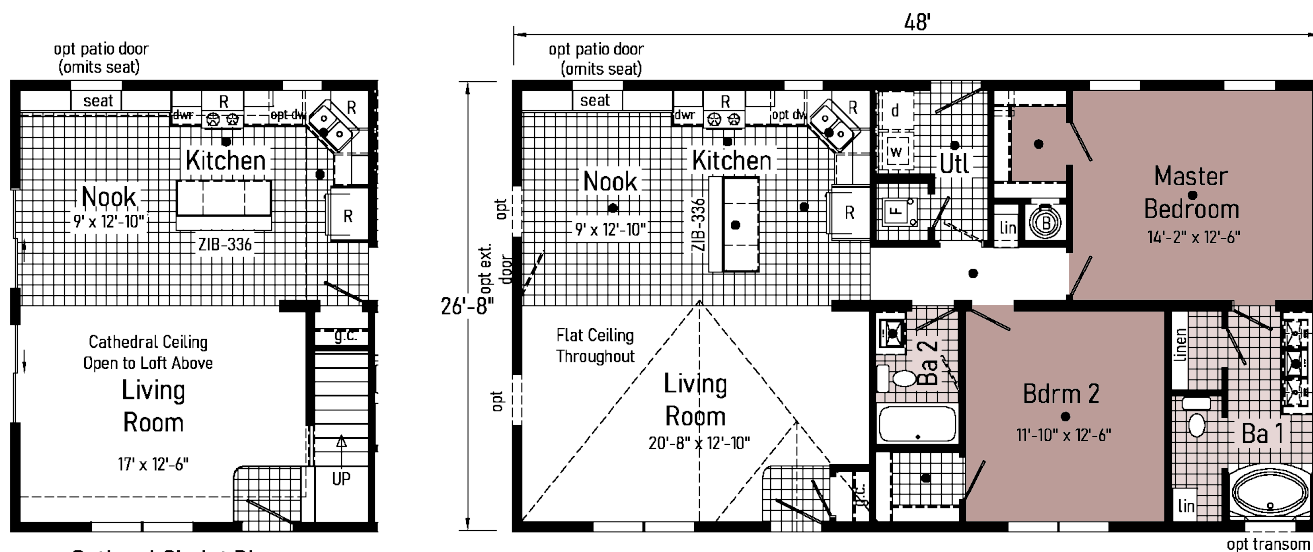

The interface includes a navigation bar at the top with links: FIND A HOME, FIND A BUILDER, COMPANY, PRODUCT, INHOUSE EXPERIENCE, and LOGIN. A footer bar at the bottom contains the same links, with 'MANUFACTURED & MODULAR HOMES' added at the beginning.
